The packing material descriptions reflect the materials used in packing. The descriptions are not indicative of the items actually packed with the materials, as a variety of items may be packed with the indicated materials. "Crate" or "crating" service/material does not refer to a wooden crate, but rather cut cardboard used to form fit around items. Unpacking is not included in the charges and can be purchased at an additional charge. Riddance and disposal of materials used in packing is the responsibility of the shipper. Final determination of materials used cannot be determined until services have been completed. You will be notified of final charges prior to delivery and while in transit. Carrier is authorized to use necessary packing materials. Items packed by shipper may be placed into additional containers to ensure efficient cargo space on the transit vehicle. All charges including additional services will be charged based on the full tariff rates. The undersigned shipper and/or agent has full authority to order services and enter into this agreement.
